Our records indicate that we shipped you product from this list. Please immediately stop distribution of the lots listed on page 2.

We require you to:

- Check and hold your inventory for the select lots listed below. Instructions on how to locate the product lot information are included in this letter.
- **If you purchased directly from Abbott:** Please complete the attached Product Response Form and return it by e-mail using the information indicated at the bottom of the form. Instructions on how to return the product will be emailed to you from Abbott.
- **If you purchased from a distributor:** Please contact your distributor for instructions.
- **If you have patients samples:** Please continue to hold product. Your Abbott sales representative will be contacting you to coordinate product return.
- Please immediately notify your consumers/patients who purchased product affected by this recall. Provide them with the attached “consumer/patient” recall letter and **instruct them not to consume recalled product** and follow instructions for returns.
- Alternative products should be determined by a medical professional.

The health of our consumers and quality of our nutrition products is always our highest priority. We apologize for any inconvenience this action may cause and thank you for your collaboration.

For additional information, please call 1-800-551-5840 Monday-Friday 8:30am-5:00pm EST to speak with a customer service representative or ask your Abbott sales representative.

Sincerely,

Anita D'Souza
Director, Commercial QA – Americas
