About us

The **American Society for Parenteral and Enteral Nutrition (ASPEN)** is dedicated to improving patient care by advancing the science and practice of clinical nutrition and metabolism. Founded in 1976, ASPEN is an interdisciplinary organization whose members are involved in the provision of clinical nutrition therapies, including parenteral and enteral nutrition. With members from around the world, ASPEN is a community of dietitians, nurses, nurse practitioners, pharmacists, physicians, physician assistants, scientists, students and other health professionals from every facet of nutrition support clinical practice, research and education.

ASPEN publishes two highly respected journals, the ***Journal of Parenteral and Enteral Nutrition (JPEN)*** and ***Nutrition in Clinical Practice (NCP)***. The society's annual meeting, the ASPEN Nutrition Science & Practice Conference, is the premier forum for exploring clinical nutrition and metabolism. ASPEN also publishes a variety of resources to promote safe, efficacious patient care, including guidelines, standards, books and continuing education resources.

Extend Your Advertising Reach:

Inserts:

Bound inserts, loose inserts, gate-folds, tip-ins and die cuts are available. A sample must be submitted to the publisher for approval.

Cover Tips:

An exclusive way to place your message front and center with each journal reader. Your ad would attach to the front of the journal with removable glue. The reader would therefore not have to remove your ad to open the journal.

Belly Bands:

Another exclusive visibility option. Your ad would wrap around the entire journal.

Outserts:

Include your product brochure in the polybag of each mailed issue and get it right into the hands of the readers. Please contact your representative for pricing and details on any of these options. A sample must be submitted to the publisher for approval.

General Instructions

A High Resolution Press-Ready PDF is required for all electronic ad submissions. All fonts must be embedded. Minimum required image resolution is 300 dpi for color or gray scale images and 900-1200 dpi for line art (1-bit) images. All color files must be created and submitted to publisher in CMYK color mode. Publisher will convert ads submitted in RGB but is not responsible for color reproduction on these ads. 2-color ads (standard) must be provided as black plus 100% cyan, magenta, or yellow.

Image Size/Crop

Digital art files should be cropped to remove non-printing borders. Art should be created or scaled to the size intended for print. Image orientation should be the same as intended for print. For ads that are intended to run off the page, a 0.125" minimum bleed is required on all sides.

Proof Instructions

Color Ads: An identifiable SWOP-certified proof (Specifications Web Offset Publications—www.swop.org) must be supplied with the final digital file. If a SWOP-certified proof is not supplied, then the publisher cannot guarantee correct reproduction of color. Any omissions or color deviation from a submitted proof, other than a SWOP-compliant proof, will not warrant compensation to the advertiser.

B&W Ads: A hard-copy proof the same size as the digital art must be supplied with the final digital file.

File Submission Instructions

Please supply files on one of the following media: CDROM or e-mail. Please include a SWOP-certified proof with your digital submission. If e-mailing artwork, then send the proof in a separate package in the mail.

Bind-In Cards And Inserts

All bind-in cards and inserts are jogged to the head. All bind-in cards and inserts must have 0.125" trim beyond the crop mark area of the Head, Foot, Gutter, and Face of the advertisement. Perforations must be 0.375" from gutter. All live copy should be no closer than 1/4" from the trim. For inserts, 70# coated stock is the minimum weight and 110# coated stock is the maximum.

Postal Requirements Of Business Reply Cards

Final size of all BRCs must be 4.25" x 6".

Minimum paper weight is 7 pt. Recommended stock is 75# hi-bulk. It meets the requirements set forth by the USPS for reply cards.

Publisher is not responsible for any errors in reproduction if artwork is not provided according to the above specifications.
