Dear Health Care Professional:

Subject: Voluntary Recall of ProSobee® Infant Formula

This letter is to inform you that two batches of our ProSobee 12.9 oz Simply Plant-Based Infant Formula Powder are being voluntarily recalled due to a remote potential of cross-contamination with cronobacter. All released product tested negative for cronobacter and other bacteria (including the two batches being voluntarily recalled) and we have received no report of illnesses in connection with this product.

The root cause was linked to a material from a third party. We have taken all appropriate corrective actions including no longer sourcing this material from the supplier.

We are informing you to ensure that you have all the information you need regarding this situation so that you can confidently respond to any questions your patients may have.

At Reckitt, the health and safety of infants is our highest priority. All products Reckitt has released for sale have tested NEGATIVE for cronobacter – including the two batches of ProSobee®.

**Details of the ProSobee 12.9 oz Plant-Based Infant Formula Powder Being Voluntarily Recalled:**

Global Batch Code	UPC/SKU	Description	Lot	Expiry
ZL2HZF	300871214415	ENFAMIL PROSOBEE PWD 12.9OZ (6CAN) US	0670975	3/1/2024
ZL2HZZ	300871214415	ENFAMIL PROSOBEE PWD 12.9OZ (6CAN) US	0670979	3/1/2024

Out of an abundance of caution, we are asking Consumers to discard or return the product immediately. We are advising consumers to direct any health concerns to their pediatrician. In the event you get questions from your patients about this recall, please direct them to our consumer hotline at 1-800-479-0551 or by email at [consumer.relations@rb.com](mailto:consumer.relations@rb.com) and we will help verify if this product was impacted.

Sincerely,

A handwritten signature in black ink, appearing to read "Christina J. Valentine", with a long horizontal flourish extending to the right.

Christina J. Valentine MD, MS, RD, FAAP
