Dear Valued Customer,

We are very pleased to announce that SMOFlipid® is back in stock! We now have healthy inventory levels of all 4 sizes. Your patience through the intermittent supply chain issues has been greatly appreciated.

We ask that you work directly with your wholesaler to place orders. It is also important that you communicate your monthly SMOFlipid® usage directly to your wholesaler. This will help ensure your wholesaler has the appropriate inventory levels on-hand for your facility.

Again, we truly appreciate your patience through these challenging times. We look forward to continuing service to you and your patients. If you have any further questions, please feel free to reach out to your local PN Sales Specialist.

Respectfully,
